In the rare case of a positive result, Palace Resorts and Le Blanc Spa Resorts will accommodate you during the period of quarantine at no additional cost for up to 14 days, for up to two guests per room should both

\*Prices are subject to change without prior notice. The PCR test is taken in nasopharyngeal / oropharyngeal exudate and is carried out in the space designated for it by the hotel. No tests are taken in the guest room. The results are sent via email. The test must be scheduled in advance, preferably from the arrival of the guest. The service refers exclusively to asymptomatic travelers who are about to return to their country. Symptomatic patients should be referred to the hospital for proper evaluation and care.

\*\* Complementary quarantine period only applies to guest entering the United States, Canada, Europe and South America, for up to 14 days for up to two guests per room, should both guests test positive. Should guests test positive for a period longer than 14 days, an exclusive rate of \$199 USD per night will apply for up to 3 guests in the same room. If guests want to isolate themselves but have additional family members that wish to stay, guests can book additional rooms at \$199 USD per night for up to four people, in a standard (run of house) room. Guests who have tested positive will be accommodated in a designated COVID area of the resort.
